Guarantee

LOCATION – At Golden Oak Farms located 90 miles southwest of Fort Worth; 5 miles east of DeLeon, Texas, on Hiway No. 6, and then one mile south on Farm to Market Road, No. 1496.

TIME – 10:00 a.m., April 20, 1956.

GUARANTEE – Since this is a complete dispersion, all of the cattle will be sold without guarantees, but we would like to point out that most of the cows will have calves at foot or close to calving, and a lot of them remated. Information for the catalog was compiled well in advance of the sale and some of the heifers listed as bred, also cows with young calves, will be mated before sale day; therefore most of the breeding dates were omitted from footnotes but a complete list will be furnished at the sale. Announcements from the auction block will have precedence over printed information.

TERMS – The terms of the sale are cash.

HEALTH – Official vaccination for Bangs disease has been practiced. T. B. and Bangs tests will be furnished on every animal sold, and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons attending this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

AUCTIONEER – C. D. "Pete" Swaffar, Tulsa, Oklahoma, and Walter Britten, College Station, Texas.

LUNCH – will be served at the farm on sale day.

Meet the Owners of Golden Oak Farms

The Golden Oak Organization is strictly a family affair, headed by C. M. Caraway, Sr., his two sons and two sons-in-law. Meet these five southwestern cattlemen and businessmen, from left to right they are: K. N. Spencer, Manager Golden Oak Retail Feed Department; A. H. Caraway, Manager Golden Oak Farm and Hatchery; C. M. Caraway, Sr., General Manager of the Golden Oak Organization; C. M. Caraway, Jr., Manager Golden Oak Milling Company and B. H. Hilley, Manager Golden Oak Branch House at Gorman, Texas. They will be on hand to greet you on April 20.

If you would like to inspect the sale cattle before the sale we'll be glad to show them to you and here is how to reach the farm where manager Glen Fronk is in charge.

Golden Oak Stock Farms are located five miles East of De Leon, Texas. Coming to the farm from Ft. Worth, travel 90 miles southwest on U.S. Highway No. 377 until you reach Dublin, Texas and take Highway No. 6, going West out of Dublin for eight miles and then one mile South on Farm To Market Road 1496.

Sale day telephone calls should be made to:

Welcome to Our Sale

Dear Friends:

A decision to disperse our entire herd of Shorthorns was not an easy one. Since other business activities have gradually demanded more and more of our time it has been impossible for us to do full justice in keeping close contact with our Shorthorns. We first thought of a drastic reduction in the herd and went so far as processing the families to see which ones would be retained. This was a difficult problem because we had so many of those reliable producing cows we felt should be kept. Then the decision came to disperse so the entire group of cattle could go into other herds and have a chance to continue to make progress.

We started in the Shorthorn business in 1925 and since 1930 we have exhibited our cattle continuously at various state and national shows. This brought us in contact with a lot of breeders over the entire nation. The association and competition at fairs in early years helped a lot to decide on the type of Shorthorn we would strive to produce. The show records of Golden Oak Shorthorns are definite proof we have been keeping pace with breed progress.

A careful study of this catalog will show that a lot of the families have been on the farm for years and their breeding has been kept up to date through the use of outstanding sires. The very best females of those families were always retained to carry on.

The Prince Peter—Royal Leader bloodlines were very popular a few years ago so our efforts were concentrated on this combination several years and in order to make greater progress we used bulls of our own breeding for the purpose of establishing uniformity of type in our cow herd. This we did very successfully and at the same time retained quality and smooth fleshing.

As the demand for imported Shorthorns continued to grow we decided to use imported bulls. Since the blood of Prince Peter had been so closely concentrated in our herd we did not wish to gamble on a direct outcross. In our search for herd sires we selected Calrossie Talisman because he was a distant relation to Prince Peter. His dam and Calrossie Prince Peter were both sired by Calrossie Randolph. Kair Councillor was selected for use at Golden Oak Farms because his sire, Calrossie Crocus Count and Calrossie Talisman are both by Calrossie Welcome. We knew when we purchased Crichton Bamangwato this would be a direct outcross. He was selected for his ruggedness, substance and fleshing ability. There will be plenty of proof at the farm sale day that these three great imported stock bulls are nicking perfectly with the Prince Peter breeding.

The herd is now at its peak of productivity and the number of calves at side of dam sale day will vouch for this statement. Every animal on the farm sells and the cattle will be offered in breeding condition so they can go into other herds and continue to do well.

We have enjoyed the association with our Shorthorn friends and know it is going to be hard to adjust ourselves at the farm without Shorthorns. Since we have decided to disperse we sincerely hope a lot of our friends will profit by our effort to build one of the top herds in the nation.

We do hope you will be our guest at the farm on Friday, April 20th. If possible make plans to arrive day before the sale so you will have time for a thorough inspection of the entire offering.

Sincerely,

C. M. CARAWAY & SONS

C. M. CARAWAY & SONS SHORTHORN DISPERSION

Champion breeders group of three steers over all breeds, junior division, Fort Worth Stock Show, 1954. Sired by Golden Oak Leader 25th, Goldfinder's Pride and Golden Oak Leader 37th.

FROM THE SALE MANAGER . . .

It has been a real pleasure for me to be connected closely with the annual sales held at Golden Oak Farms by C. M. Caraway & Sons. The Golden Oak Farms' operation is a large one, covering various phases of operation. Because of the heavy load being carried by every member of the organization, this sale has materialized and like many of the friends of the Caraways, I regret that this complete dispersion has become necessary at this time.

In every dispersion of a great herd such as this one there is a terrific loss to the breed. However, there is also a big gain to be had by the purchasers.

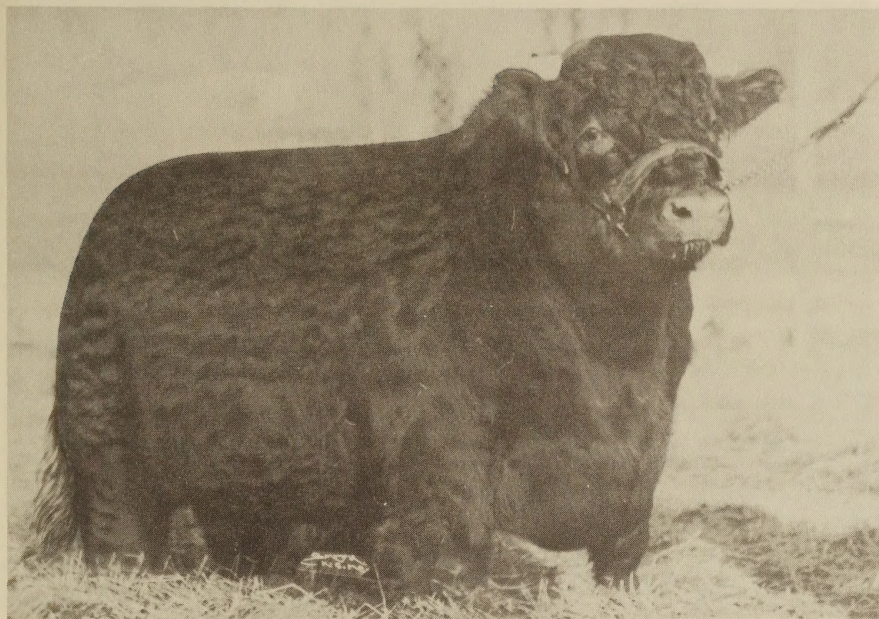

I went over every lot selling in this sale with the Caraways on February 1st and was pleased to see the ideal condition that Glen Frank will have these cattle in on sale day. Every last hoof on Golden Oak Farms sells and this gives buyers the opportunity of buying not only the sires and dams, but also full brothers and sisters to the many outstanding Golden Oak show winners and top sellers during the many past years.

It isn't every herd that is dispersed at the time when it is on its way up. This last set of herd bulls that the Caraways purchased are producing the kind of calves that would have put Golden Oak Shorthorns in the headlines in the future. The records at the recent shows on these young calves will prove that I am right, I believe. I know that every undesirable animal has been eliminated and the entire offering is in top production and yours for the bidding on April 20. Will look forward to seeing all of our Shorthorn friends on this date at DeLeon, Texas.

Merv Aegerter, Sale Manager

Golden Oak Prince 39th and Golden Oak Clipper 4th, first prize pair of calves at Fort Worth in 1951. Golden Oak Prince 49th sired Golden Oak Violet 14th that sells in this sale and Golden Oak Clipper and Golden Oak Clipper 3d, selling in this sale are maternal half-sisters to Golden Oak Clipper 4th.

4 HERD SIRES . . .

Meaty, masculine beef-building sires sell in this complete dispersion sale. Their herd bulls include **CALROSSIE TALISMAN** by Calrossie Welcome. He is a half-brother to the 1952 Perth champion. Here is the most popular breeding in Scotland today and 15 young bulls and 20 young heifers sell sired by him. **CRICHTON BAMANGWATO**, this son of Kirkton Great Expectation, was the top selling bull in the 1954 Leveldale Sale at Mason City, Ill. **KAIR COUNCILLOR**, this three-year-old son of Calrossie Crocus Count was purchased at Leveldale in 1954 and is a half-brother to the champion and reserve champion bulls at Perth in 1954. **GOLD-FINDER'S PRIDE**, this seven-year-old, is the oldest member of the herd bull battery and he has sired many of the champion Shorthorn steers that Golden Oak youngsters have been showing at Fort Worth for the past several years.

20 YOUNG HERD BULL PROSPECTS

Two-year-olds and strong yearlings ready for heavy service. Included will be the first prize junior calf at the 1956 Fort Worth Livestock Show, the reserve grand champion bull at the 1954 Nebraska State Fair, and the second prize junior bull calf at the National Shorthorn Show at Des Moines. These honors were all won on different sons of Calrossie Talisman and they all sell. Also included will be the Oklahoma State Fair grand champion bull, a son of Prince Peter Mason. The champion pen of 5 bulls at the 1956 Fort Worth Livestock Show all sired by Calrossie Talisman sell.

CALROSSIE TALISMAN - Is doing an excellent job at Golden Oak Farms. His first calves made a good showing at the 1955 fall shows. They were exhibited at ten state and national shows and won 27 firsts, 49 seconds, 22 thirds, 3 junior champions, 8 reserve junior champions and 3 reserve grand champions. In the get of sire class his calves won 3 firsts and 6 seconds, in the junior get of sire class they won 3 firsts, 7 seconds and 1 third. This bull has developed remarkably well and everyone who has seen him in his mature form is well impressed with his type, quality and smoothness. His sire, Calrossie Welcome, sired the 1952 Perth supreme champion, the sale top and 9 sons that averaged \$12,000. At the 1954 Perth Show another son topped the sale at \$30,300, 11 of his sons sold for an average of \$9,220, then in 1955 another son, Calrossie Paramount was supreme champion and sold for \$25,500. This will be a great opportunity to buy a proven sire with individuality and the very best of breeding. Calrossie Talisman is the surest breeding bull we have ever used at Golden Oak Farms. A close check sale day of the number of calves sired by him and the amount of females carrying service to him will bear out this statement. Do not under estimate the ability of this outstanding young sire.

CRICHTON BAMANGWATO - was top selling bull in the 1954 Leveldale Sale at \$3600. His pedigree is faultless and he is a proven sire of good calves. One of his daughters was top selling Kickapoo consignment in the 1955 Marellbar Invitation Sale, going to Acadia Farms for \$2000. His calves at the farm are developing wonderfully and are all we expected from this great young sire. A lot of females will be carrying his service sale day. His sire, Kirkton Great Expectation, is the stock bull that has done so well for Roy Watherston at Crichton. His grandsire, Kirkton Baronet, was leading sire in Scotland for several years. This will be a great opportunity to own an imported proven sire with plenty of good calves on the ground sale day to demonstrate his ability as a breeder. This perfect, dark red imported stock bull has been used liberally since arriving at Golden Oak Farms and is a sure breeder.

KAIR COUNCILLOR — Will be offered in moderate flesh. This young imported sire has been used a lot since old enough for service. We purchased him in the 1954 Leveldale Sale. He was used while in quarantine and at Leveldale before the sale. As soon as he arrived at Golden Oak Farms he was put in the pasture with a group of heifers and young cows, and has been on the range ever since. The calves at foot, sale day, will vouch for his ability as a sire. They really look good. His breeding is the best. He is sired by Calrossie Crocus Count, a paternal half brother to Calrossie Talisman. Calrossie Crocus Count sired the supreme and reserve supreme champion at the 1954 Perth Show. This record has never before been equaled by one sire. The supreme champion sold for \$21,900, the reserve supreme champion for \$15,000 and 5 sons sold for an average of \$10,700. This proven young sire has a great future in store for him. Several of his calves will be sold with dam and a lot of cows are carrying service to him. He also is a sure breeder and will be in excellent condition to go into your herd and continue doing good service.

GOLDFINDER'S PRIDE - We purchased this calf in dam at the Merryvale Dispersion Sale. He was exhibited as a junior bull calf and won grand champion at Great Falls, Montana, 1949, also first prize at Stockton and Pomona, California. He was selected as a herd sire at Golden Oak Farms for his type and fleshing ability which has been transmitted to several prize-winning steers. He sired the champion Shorthorn, Jr. Division, and reserve champion Shorthorn steer at the Fort Worth Stock Show two years in succession, 1953-54. He is a good feeder and stays in excellent condition while in service on the range. This is a proven sire with a few more years of usefulness ahead of him.

PRINCE PETER MASON 18th -- Is a very short-legged bull with a good head, plenty of scale and tremendous bone. We used him on a few cows the past year and if you need a three-year-old for hard service this one fills the bill. He is sired by the many times winner and a sire of winners, Prince Peter Mason and out of a cow that always produces good rugged calves.

GOLDEN OAK TALISMAN 33d -- out of Golden Oak Queen 3d that was shown very successfully for two seasons. She was grand champion female at eleven state shows in 1954-55. This compact, very short-legged son of Calrossie Talisman is also from our show herd and should be one of the better bulls in the sale. If you can use a summer yearling next season, this one can win at strong shows.
